

## **Jubilate! Policy**

Each part and every member of the group is important to each rehearsal. When a part is missing, the rehearsal is incomplete and ineffective. An absence can only be excused for illness or death in the family.

We will perform several times throughout the year:

- Christmas Concert – Monday, December 5, 2011
- Garden Estates – Wednesday, December 7, 2011
- Spring Concert – TBA, 2012

The Ensemble shirt will be worn at all performances with black pants/skirts and black closed-toed shoes. Each member will be responsible to have their gloves with them for all rehearsals and performances. Bells will **NEVER** be handled without gloves.

No gum-chewing. Saliva corrodes the bells.

Bell assignments will be left to the Director.

Rehearsal will start promptly at 4:30 – tables, folders, and bells will need to be set up efficiently to make the most of our time. Parental help will be requested.

The final minutes of rehearsal will be spent putting up bells, tables, and folders in their correct places. Please do not leave until all is in order. “Many hands make light work.”

Thank you!

Sylvia White  
*Jubilate! Director*
